

**TMVCC MINUTES NOVEMBER 17, 2006**  
**CUSTOMER APPRECIATION LUNCHEON**

Our end of the year Customer Appreciation Day Luncheon was held on Friday November 17, 2006. The sign-up sheet showed only 80 members in attendance. The meeting was held at the Chesapeake Mosquito Control Operations Center, and was sponsored by Tim McGonegal from Adapco and Peter Connelly from Bayer. We would like to give a big thanks to both Tim and Peter for their support, and for allowing us to have a relaxing time of fellowship and food.

The only new business that was necessary for this meeting was to elect a new TMVCC Secretary. Lisa Wagenbrenner was the only nominee for the office and was voted in for the 2007 TMVCC season.

Thanks for a great year. We would all like to thank all the sponsors for their time and information. I wish everyone a happy holiday season.
